

SHAPING THE FUTURE OF SUSTAINABILITY IN THE UK OUTDOOR EVENTS INDUSTRY

**AVENUE A-B
STAND 129**

10:15 - 12:45

VISION: 2025 MEMBERS SESSION + LUNCH

Industry roundtable session: 'Unlocking Potential for Change' (invite only) for Vision:2025 members and industry leaders. With thanks to Eat to the Beat for lunch.

12:50 - ENTRY

AFTERNOON: OPEN PROGRAMME + WELCOME TO VISION: 2025

SES 24 host, Graham Brown (Vision: 2025 / Brown Fox Comms), opens the summit with an update from Vision and a programme overview.

13:00- 13:10

KEYNOTE: JON DAVIS, CEO OF LEVY UK + IRELAND

A supplier perspective on driving change: drawing on Levy's experience of developing sustainability strategy and working across clients and supply chain - with examples such as food policy for Billie Eilish @ The O2.

13:15 - 14:00

SHAPING THE FUTURE: A CLIMATE TRANSITION PLAN FOR 2030

How can the industry thrive as we move towards a 'Climate Transition Plan for 2030' reducing environmental impacts and working with the Government to accelerate change. Panel Chair: Jon Collins, CEO of LIVE, with guests: Hannah Cox (betternotstop), Andrew Lansley (Cheltenham Festivals), Feimatta Conteh (Arts Council England) and Vikki Chapman (Live Nation / Festival Republic).

14:05 - 14:55

ACCESS ALL AREAS PRESENTS: ESSENTIAL INDUSTRY BRIEFINGS

"Quick Fire" session on this season's hot topics at live events. Hosted by Chris Barrett, Editor of Access All Areas Magazine. Topics & guests:

- ◆ **Funding 'Climate Transition Plan 2030'** (Richard Phillips, Julie's Bicycle)
- ◆ **Innovations in battery technology** (Paul Schurink, Showpower Global B.V.)
- ◆ **A SustainABLE Food Vision** (Bonnie May, Eat to the Beat)
- ◆ **No Climate Action Without Us** - How to include disabled people in live event sustainability (Suzanne Bull MBE, Attitude is Everything)
- ◆ **Vape capture and disposal at events** (Rowan Barnes, Material Focus)
- ◆ **Tools to tackle event travel impacts** (Partnerships Director, onboard:earth)
- ◆ **What gets measured, improves - capturing the impact of events** (Bryan Raven, d&b solutions)

SHAPING THE FUTURE OF SUSTAINABILITY IN THE UK OUTDOOR EVENTS INDUSTRY

AVENUE A-B
STAND 129

15:00 - 15:45

IN THE HEADLIGHTS: COLLECTING TRAVEL EMISSIONS DATA

Collecting event travel data for footprinting: This panel shares insights from practical experience and research this season. Hosted by Chris Johnson (CEO, onboard:earth) with guests: Chris Thompson ('You.Smart.Thing.'), Phil Hayes (Citizen Ticket), Anna Johnson (Anjuna Beats), Zofia Plonczak (Aamad/Junction 2).

15:50 - 16:15

THE SHOWMAN'S SHOW GREEN SUPPLIER AND INNOVATION AWARD LIVE!

Three shortlisted suppliers present innovations to help events reduce environmental impacts from the supply chain. Judges and SES 24 delegates cast their votes to decide the winner.

16:20 - 17:00

BEST OF THE SUMMER: GREEN SUCCESS STORIES 2024

John Rostron (CEO, Association Independent Festivals) introduces guests from UK outdoor festivals who have led the way through the 2024 season with campaigns to reduce the environmental impacts of events.

17.00 - 17:05

CLOSING REMARKS & QUESTIONS

Graham Brown (Vision: 2025) closes the Summit and opens the floor to delegates to ask any remaining questions.

17:10 - 17:30
